

The
Warrior '52

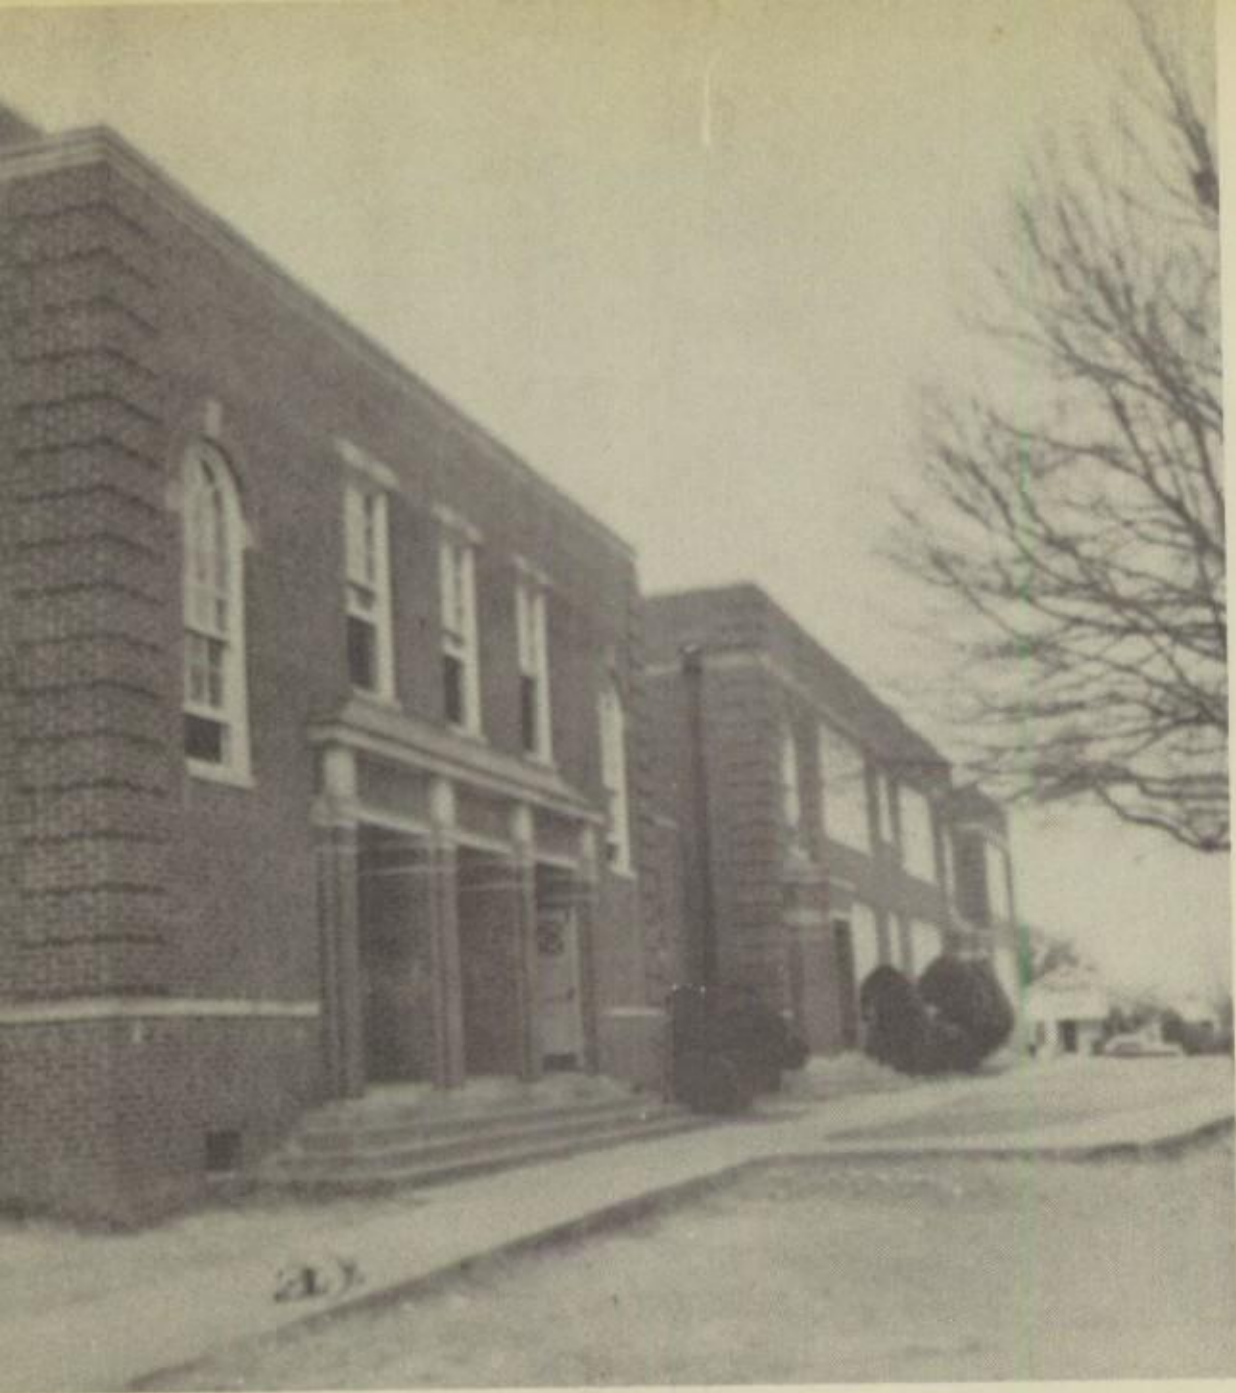

OUR SCHOOL SERVES OUR TOWN

It is expanding and will continue to expand. Vivian has provided her boys and girls with the best of educational facilities. You will see some of her future citizens in the class division. Many more are in the grades to take the place of those graduated. American Democracy must have educated citizens to continue.

OUR SCHOOLS ARE DOING THEIR PART.

Barbara Thom
Sr. 52

May 23, 1952
Ivian High Sc.

Dearest Jeannie,

Indeed it has been my pleasure to be one of your class mates through these years. I only hope our friendships can last through the years to come. We have certainly had our share of the good times along with the bad ones. You're certainly a sweet and wonderful girl - just remain as you are and you will be loved by all - always. Guess we won't be together much after this summer but I will always remember you. So be sweet & remember me!

Love you always
Virginia Loney

"Dear Jeanie,
 Well dearie, you
 finally made it! ^{you}
 This school just without you. I'm
 the same without you. I miss you
 certainly going to miss all the time
 next year. Remember together! And time
 good times. I don't forget the bottle, and
 oh, by all means - don't forget the bottle, and
 I chased you with the coke bottle, and
 you ran for "Mama". I'm still
 long time ago. But after all we are
 mean, huh? But after all we are
 cousins, and I do love you very
 much! Glad you're
 happy. Lots of love
 Mary

THE SENIOR CLASS
of
VIVIAN HIGH SCHOOL
Presents

THE
1952
WARRIOR

Foreword

This yearbook was designed as a commemorative volume of some of the various people, places and events marking the pages of the history of our school from its beginning up to the present time. In giving special emphasis to the activities and accomplishments of the long period under Mr. C. L. Mackey's leadership, the sponsor and staff of THE WARRIOR have hereby sought to furnish for Mr. Mackey and for all who have admired him and his work a chronological recording, as it were, which will serve as a pleasant reminder of the past.

DEDICATION

There are few years more crucial in shaping the course of individual destiny than those which span the golden days of high school. We, the Senior class of Vivian, feel most fortunate in the wise counsel and patient understanding of a man whose presence has given our golden years a truly golden meaning. In testimony of our gratitude and appreciation we humbly dedicate this volume to Mr. C. L. Mackey, our beloved Principal.

C. L. Mackey

Development of Our School

granted diplomas to approximately two thousand Seniors. The number of graduates has increased from ten members in 1919 to sixty in 1952. The largest class graduated in 1938 with 114 Seniors.

In this period of marked progress probably no other individual has so made his presence felt in the school as has Mr. Mackey. While active in its material development, he has exerted an even greater influence among faculty members and student body alike through his deep sense of fair dealing. To Mr. Mackey's personal integrity and uprightness the school personnel feel, in a large measure, is its success due. That his influence has been far-reaching is shown by the many communications that have come from former students, professing their sincere appreciation for Mr. Mackey and the school. The long line of alumni and the ex-students, who honor and revere him, are witnesses to the loyal and constructive service Mr. Mackey has given the school and the community. With one accord they have placed him in the top category of those people whose influence upon their lives has made an indelible impression.

FACULTY

There have been many personalities who have helped to mold the character and worth of our school. It is difficult to try to name all the prominent individuals who have been connected with the faculty. Of several names that stand out as having especially projected themselves in helping to make our school what it is today we would mention Miss Helen Burr, Miss Ruby Currie, Miss Pearl Cox, Mrs. Luda Keen, Miss Margaret Calhoun, Mrs. Norvie Hart Burr and Miss Elsie Pullen.

Mrs. Norvie Hart Burr, who, in 1950, became our first assistant principal, has had a singular share in molding the successful pattern of our school. With a rich background of teaching experience, Mrs. Burr, in her capacity as guidance counselor, has done a remarkable job. She has been a strong co-ordinating force in helping parents and students to solve their problems of adjustment. To teachers as well, she has served, materially, by assisting them to improve their own competence for providing guidance. Above all, Mrs. Burr has, by a genial disposition and by mild-mannered directives, brought to the student mind the true purpose and meaning of regular attendance upon school.

Miss Elsie Pullen, for many years a teacher of the seventh grade in our school, remains as a shining example of the spirit of true teaching. Kindliness and consideration of the individual pupil were her outstanding traits. Her human, friendly, companionable attitude and her interest and understanding of her pupils marked her as genuinely democrat. To know "Miss Elsie," as she was affectionately called, was to realize that she was sincerely interested in the problems, needs, and interests of all the young people with whom she came into contact. Never too busy was she but there was time for the "bits of wisdom" she had for her "children." In the roster of our school's great Miss Elsie Pullen will long occupy an enviable position; her memory, a long-cherished one.

Development of Our School

ALUMNI

Vivian boasts many worthy alumni, some of whom have become active in the field of education in this state and in others. To mention a few representative ones we would name: Katherine (Pet) Walker, supervisor of schools, of Calcasieu Parish; Dolph Morse, Baton Rouge teacher; Harold Rhodes, Superintendent of schools of Kellerville, Texas; Billy Duncan, Librarian at University of Georgia; Sammy Griffin, music director of Belcher; "Ted" Butler, Willamette College, Oregon; and Charles Edwards of the faculty at Tech.

Many of the alumni have gone into other professions where the names of Vivian graduates may be read in the annals of law, medicine, business, military science, religion and in the world of entertainment. Legal channels claim Judge James U. Galloway, Edwin Bailey and Charlie Barnett, all of Shreveport. Jimmie Means belongs to the legal staff of an oil company. The field of medicine and dentistry show the names of Dr. Cleve Pardue, Jr. and Dr. Charles Caldwell, respectively. A medical technician, Mary Lou Smith, holds a responsible position in a Texas hospital.

Many V.H.S. grads have entered the business world. Milam McDonald and "Blondie" Bennett are prominent tax consultants. Homer J. Lee is an auditor for an oil company. Horace Kendrick is a successful drilling contractor. The oil business has also attracted Joe Williams, geophysicist; Milburn Moncrief and Sam Moritroy, are petroleum consultants; Claude Teel, land and lease manager for a Texas firm; and James Mackey, with the Union Sulphur Oil Corporation, is petroleum engineer in charge of the Texas district.

Among the U.S. Board of Engineers at Ft. Belvoir, Virginia, is John Caldwell. The field of pharmacy includes Carl Cox. Frank Buckley and James Files have entered journalism.

In government and military science circles appear several V.H.S. alumni. Lorimer Mackey is an electronic scientist with the U.S. government. Joe Turner, a captain in the Air Corp, is a jet plane instructor. Captain Dick Flowers is with the Air Corps in Germany, and Lt. I. W. Porterfield is stationed in Washington, army headquarters.

The ministerial roster includes Ray Branton, Don Brown, James Brasher and H. E. Darnell,

Development of Our School

among the important names.

Public entertainment has drawn Jack Payne and Liston Johnson, who are outstanding musicians with well-known orchestras. Adelene Bruce is a U.S.O. recreational director in Shreveport.

The present faculty is represented by several V.H.S. alumni, namely: Mrs. Roy Jones, Mrs. Nellie Lee, Miss Geraldine Beazley, Miss Virginia Ray, Mrs. Janet Shockley, Mrs. Lillian Horton, Mrs. Claudene Clawson, and Mrs. Florence Hartline.

ATHLETICS

Coach O. C. Sanders is completing his twenty-second year in Vivian. "Coach," as he is fondly called, has produced some of the finest teams of North Louisiana. He was sole mentor, until John Higgins came as assistant in 1935, and since then, six other coaches have been on and off the staff. Presently V. R. Dalrymple is head backfield coach and "Coach" is directing the destinies of the line.

Hunter Huckabay was signal caller on the first V.H.S. grid team. In the mid-twenties Joe Bailey Clements and Cotton Few starred for the Warriors. The last year of the twenties Stanley Griffith and Jess Barnes upheld the honors of the locals. The years '25, '36 and '37 were the championship years and boasted of such gridsters as Cotton Barnes, Wilson Almokary, Claude Teel, Woodrow Bowman and others.

The forties produced such Warriors as Harold Rhodes, Bill Holbrook, Allen Arden, Herbert May, Charles Robinson, Furniss Hood, Jerry Griffith, Jack Pharis, Thomas Allen Bourne, Jamie Williamson, Billy Donovan and others.

In the early forties Jimmy Powell and Earl Williamson, Jr., won the Northwest championship tennis doubles.

Mrs. Tennie Castle coached a girl championship basketball team back in 1931. Mildred May, Olene McLendon, Cynthia Gryder, Jimmie Rawls and others were among the stars of this team. Mr. T. A. Reed played basketball in 1914 when Mrs. Melinda Dell coached.

History of School

PUBLICATIONS

THE WARRIOR and THE PAPOOSE have long been a source of pride and joy to the students and the alumni who helped in their infancy. Of the two, THE WARRIOR is the older, having been begun in 1927. At that time it was more a program given out at the presentation of the Senior play each spring. With the growth of the student body and the addition of more curricula activities, the annual has grown. Don Mike Stothart planned the first resemblance to a real yearbook in 1941. A year later Joe Turner became Editor, and the Feature section was added for the first time. Until 1948 the school continued to have the book printed and given out at the Senior play, but plans were made to have the book lithographed and sell the copies. Mary Alice Bourne, the 1948 Editor, put into effect this idea.

THE PAPOOSE was first started in 1936, under the editorship of Dot Tyson. The first two editions were mimeographed, but the staff soon graduated to the printed edition. Winnie Hartsell served as Editor for one year, and James Files edited the 1939-40 paper.

THE PAPOOSE in its present form, is a tribute to the work and the inspiration of the many editors from the beginning to the present time.

BAND

Prior to 1937 the band was directed by a private tutor. In 1937 Mr. Richard McCluggage came to Vivian as a full-time music instructor for the Vivian schools. Many honors have been bestowed on this organization in the last fifteen years.

They have been invited to the Cotton Carnival in Memphis, Mardi Gras in New Orleans, and the Christmas Pageant in Natchitoches. In 1941 this organization participated in the National Band Festival in Jackson. In September, 1950, they were invited to represent Louisiana at the Mid-Century Music Festival sponsored by the Texas Music Association in Dallas.

ADMINISTRATION

Our Story

VIVIAN HIGH SCHOOL
C. L. MACKEY, PRINCIPAL
VIVIAN, LOUISIANA

January 28, 1952

To the Seniors of 1952:

You and I are leaving Vivian High School together. I am sure that, for many of us, these have been very pleasant years. It is true that in your twelve years of school work and in my thirty-three years in Vivian the world has been far from peaceable. Yet, in spite of the unsettled conditions, it is necessary that we carry on the ordinary affairs of life. World conditions, of course, cause us some unhappiness. Yet we must live as happily as possible and prepare ourselves to accomplish as much as we can.

No doubt many of you will continue your education in college. Do not delay too long in making your decision as to what you should prepare to do. Try to select work in which you think you have a fair chance of success and in which you believe that you will be happy. Make preparation to do that work well.

Some of you will go to business college to prepare for work in offices and in business houses. Make the best of your time, and prepare well that you may be efficient in your work.

Some will go to work without further preparation in school. You should be diligent on the job, and try to work up to better and better positions.

For some of the boys there will be no choice, for a time, other than in the armed services. Even there you will find opportunity to continue your education. When you have served your allotted time, we hope that you will be able to find pleasant and profitable employment. We have enjoyed our association with you. We wish the full measure of success to all of you. When there is an opportunity, we shall be glad to serve you and to hear of your work.

C. L. Mackey

Election to Quill and Scroll is the most coveted prize of the Warrior and Papoose Senior staff members.

An international organization, Quill and Scroll has chapters in all the world capitals.

This year students in Quill and Scroll gained acceptance by outstanding work on the school publications in such divergent activities as advertising selling to yearbook and newspaper copy writing.

Cafeteria

HELPERS

Mrs. T. A. Reed
Manager

With the beginning of the 1951-52 session, Mrs. T. A. Reed started her twentieth year as supervisor of the school cafeteria. With her five helpers she serves approximately five hundred students each day. One hundred of these are given free lunches.

Well balanced meals with plenty of fruit and vegetables are offered every school day.

Zumae Francois, Mary Lee Griffin, Lee Ethel Graham, Pearl Graham, Ella Mae Thomas.

Custodians

Mr. R. C. Hartzo Mr. C. C. Blanchard

Of the seventy-four people employed in the Vivian High School plant, our custodians, Mr. C. C. Blanchard and Mr. R. C. Hartzo, are two of the most important employees.

We depend on them for the comforts and conveniences of our classrooms. They repair and mend the equipment.

Since Mr. Blanchard has been serving our school one of his sons, Kenneth, has graduated from our school. This year two of his granddaughters, Barbara Trotter and Carolyn Richardson will receive diplomas of graduation.

During the past few years more modern vehicles with forward facing seats have replaced the former type until now there are nine of this newer model. Daily 372.3 miles are covered by eleven buses to bring 539 of the 1088 enrollment to our school. The route covered extends from the Texas line on the McLeod road to the lake at Bonham Landing, southwest of Trees, Gilliam, Hosston and west to the Texas line.

Three extra buses are kept in reserve at the North Caddo Garage.

The North Caddo Parish school bus garage, operating in connection with our school, services the territory from Belcher and Oil City to Ida and Rodessa.

Three full time employees are on duty. Mr. W. F. Hartline, shop manager, is assisted by Mr. Rex Sullivan and Mr. Lovett.

VOCATIONS

It's Your Move

Vocations

AGRICULTURAL AND SHOP TRAINING

Mr. Burns is correlating Agricultural courses with shop training. The shop, which is equipped with the necessary supplies, was built in 1935. The F.F.A. chapter owns and operates various projects.

ART

Although no special art classes are given, would be art students contribute services for every necessary occasion.

AUTOMOBILE MECHANICS

Intricate courses in Automobile Mechanics has been offered since 1949. The fundamental skills in auto repairing is given the student.

BUSINESS ADMINISTRATION

Shorthand, typing and bookkeeping have been offered in the high school since around 1925.

Vocations

CHEMISTRY

Complete courses are offered through three types of science classes. Chemistry is limited to the students of Senior standing.

CHORAL MUSIC

A well trained choral group are in constant demand for both social and religious functions.

DRIVER TRAINING

Proper methods in operating an automobile safely are taught daily.

GRAPHIC ARTS

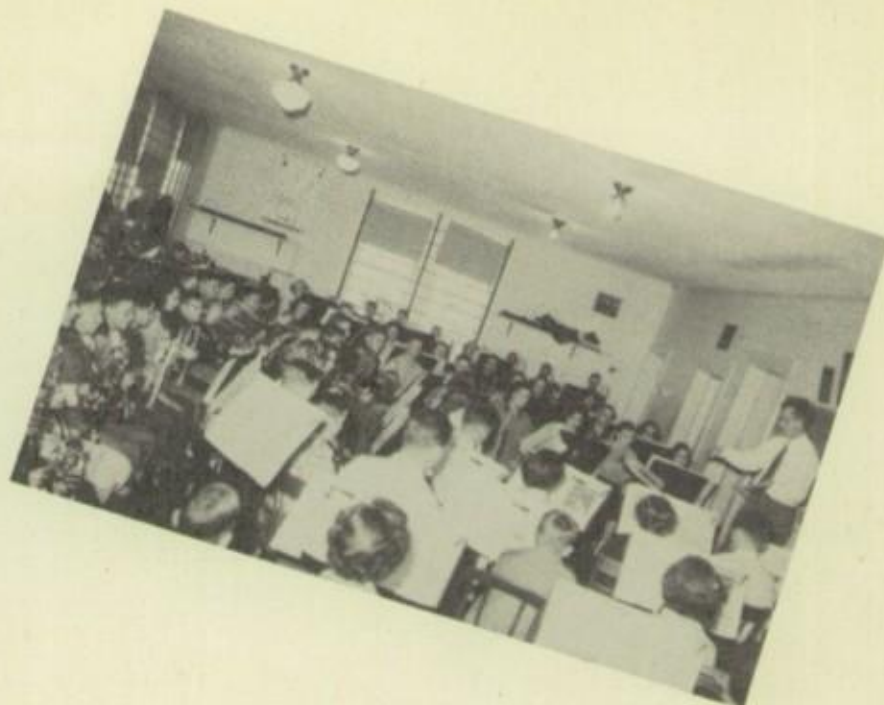

Training in proper printing fundamentals has been offered since 1949.

Vocations

HOME ECONOMICS

These courses are given to promote a growing appreciation of the joys and satisfactions of homemaking.

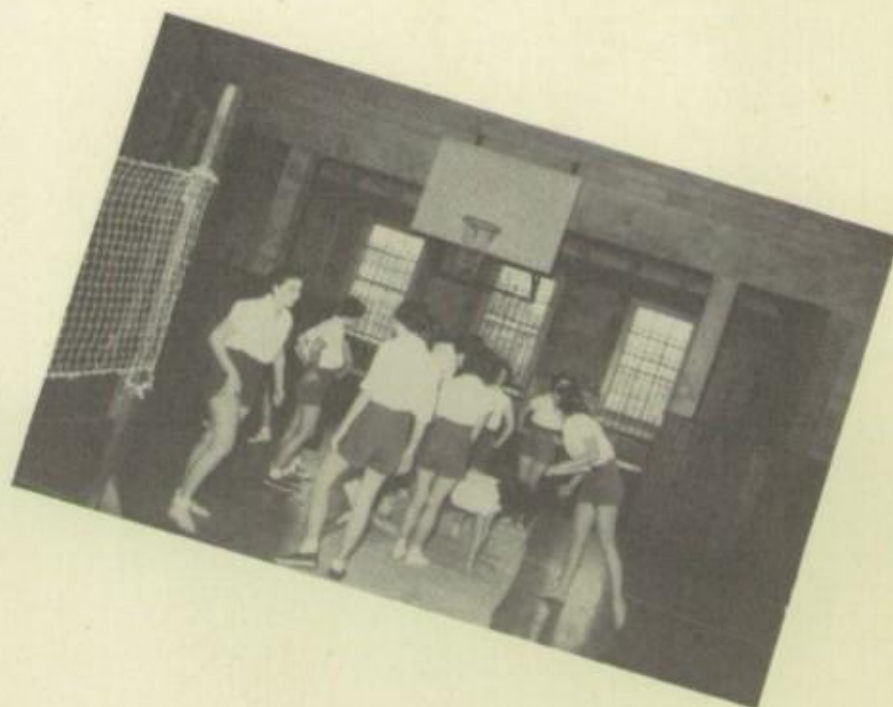

INSTRUMENTAL MUSIC

A full time teacher has been employed since 1936 to develop an interest in music for vocational purposes.

LIBRARY

Classes are offered early in the year to acquaint the 8th Grade in the use of the library and the L.T.L.A. aims to arouse interest in Librarianship as a profession.

PHYSICAL DIVISION

Strives to develop fitness and healthful habits, leadership, sportsmanship; provides opportunities in group and teamwork.

LARRY HUDSON—Outstanding Lineman

V. R. DALRYMPLE—Coach

Vivian High's football fans got their money's worth during the 1951 season. Although the won-lost tally did not measure up to those in the past seasons, there were thrills galore in this year's games. Winning only three games out of nine, the Warriors, nevertheless, fought some of their best matches against the toughest foes.

In the opening game, high hopes for a successful season prevailed as Oil City fell beneath the tomahawk. But later in the season, the hard-fighting Warriors bowed to the underdog Blue Flyers of St. Johns, defeated the outclassed squad from Many, then lost the next two tilts to Minden and Springhill, the last two by the heart-breaking score of 14-12.

The Homecoming game was unquestionably the best played game of the season by the locals. The gridsters were rolling as a 19-14 win was chalked up for Vivian.

After the 40-0 loss to Jonesboro came what were possibly the most exciting games of the season for the Tribe, although the opponents tied one and emerged victorious in another. Cotton Valley managed to tie the Indians, 13-13, in a nerve racking type of game. Then Mansfield High's highly favored Wolverines edged out Vivian in a long-to-be remembered 20-19 thriller.

Coaches

V. R. DALRYMPLE JOHN PRUDHOMME
O. C. SANDERS

GRADUATING GRIDSTERS

The V.H.S. football team will lost eight graduating lettermen this year. Among them are quarterback Billy Charles Terry and end Don Robertson, Co-Captains. Terry's cool, level-headed thinking, expert ball handling, and sensible strategy will be missed as will Robertson's ability as a stalwart lineman. Robertson's accomplishment as an end has been widely acclaimed over this part of the state.

Halfback Tiny Rogers, whose long runs were notable leaves the squad this year. Among other backs graduating is Henry Swearingen whose inspired blocking paved the way to many points for the Warriors. He has proven himself to be an excellent broken field runner, also. Another back whose loss will be deeply felt is Kenneth Reneau. Reneau played any backfield position, and played them well.

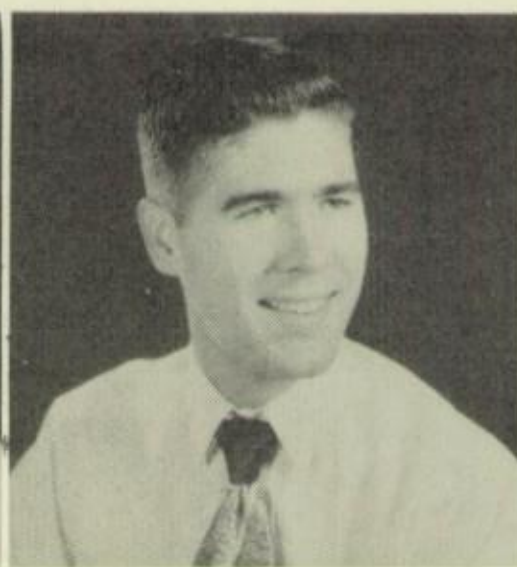

Graduating linemen include end, Billy Joe Terry, who was a good reserve despite his inexperience; Bobby Ray Nutt, a rugged guard; and Bobby Joe Harrell, a good reserve guard.

We Thank You

Vivian High School and the 1952 WARRIOR Staff wish to say "Thanks" to the merchants for their support of this annual.

Without their confidence and financial aid, we could not have published a WARRIOR of this size.

You have made this book of memories a reality and we will always remember your interest in us.

On the Job Serving You

Reddy Kilowatt, your friendly electric servant is always ready to serve you and to cooperate in every school program.

OUR SCHOOL SERVES OUR TOWN

It is expanding and will continue to expand. Vivian has provided her boys and girls with the best of educational facilities. You will see some of her future citizens in the class division. Many more are in the grades to take the place of those graduated. American Democracy must have educated citizens to continue.

OUR SCHOOLS ARE DOING THEIR PART.
